

Meeting Minutes

Date: March 18, 2009

Location: County Extension Office

President Vic Barlow called the March 18th meeting to order. Officers present were Brian Perry, Doug Jackson, and Randy Miliken. Gus Piepeberg was excused.

Guests present were Carl Kruger, John Tsohas and Tim Pourpoint, a professor of Aero/astro in the propulsions lab.

No bills were presented and our new balance is \$120.00

The minutes were read and approved.

Vic led a discussion on the BATF decision.

Randy reported on a new phone number for people to call on updates for launch day weather or other conditions.

Gus is in the process of making new barricades.

The 16000-foot waver has been approved for our launches at Ash Grove.

Invited guests talked about themselves and Tom Feldman talked about his level one attempt.

Vic called the landowners to see if they could be there for the inaugural opening but unfortunately none could make it so the opening ceremony will be canceled.

An amendment was added to the by-laws under the Dissolution section to add the wording: In the event the organization known as Tripoli Indiana dissolves, all property that is not individual property will be sold off and the balance will be mailed to benefit the Tripoli organization.

Vic reported on contacting the authorities in and around the launch site on the days of the launches.

Doug will contact the media and VIP's about the launch. Randy will update the web site.

President Barlow closed the meeting with fellowship to follow.

Next meeting will be April 23 at 7PM at the County Extension office.
